MORNING MEETING ACTION ITEM

TO: DD/I

DD/I drew attention to a cable from Saigon providing a useful explanation of the differences between CIA and MACV concerning the role of Cambodia in supplying the enemy in South Vietnam. DDCI asked the DD/I to consider whether a personal note from the DDCI to Admiral Zumwalt on the Cambodian matter would be helpful.

Action Taken 6 November:

The DDI has conferred with the DDCI, and it has been decided that it would be helpful for the DDCI to write Admiral Zumwalt. The letter has been prepared.
